The record smashing of "The Evening World" Sick Babies' Fund of 1894 goes merrily on.

.During the thirteen weeks just passed the corps of free physicians have visited 132,895 families, treated 11,440 children and given relief to 3,752 needy patients. The Fund has \$16.511.74 to its credit and the prospect of adding several thousand dollars more.

When Papering Walls.

The following rules are for the scraping and treatment of walls of various kinds preparatory to papering:

walls have been previously papered it is advisable to scrape off old paper, not only from a sanitary standpoint, but also to insure a perfect job. Paper-hangers cannot be too vigorous in advising customers to have walls and ceilings scraped previous to repapering. To remove ordinary wall paper soak

The newest things in tea balls are especially designed for wedding gifts and are put up in tempting cases, which add greatly to their worth. They are lovely as objects, and no doubt many will be sent to prospective brides, but as tea balls they are open to criticism. Expert tea-makers assure us that no whit of aroma must be allowed to escape, that the pot must be kept closed, and even the spout must have a lid. charming devices have handles of enamel, handles that are inlaid and handles that are decorative delights. but they entail an open pot, and must be dangled from the fingers, in place of being dropped into the boiling water. As a consequence, the tea must lose, but tions to the tea table, they will, no

doubt, become popular. Baked Chowder.

This makes a nice dish for lunch, and may be made from pieces of cold boiled fish left over. Cut four good-sized, cold, boiled potatoes into dice. Pick into shreds sufficient cold cooked fish to make one pint. Make one pint of cream sauce. Chop one onion fine, also one tablespoonful parsley.
